JOB FAMILY AND FUNCTION

Job Family:	Human Resources
Job Function:	Employment Services

JOB SUMMARY

Reporting to the Manager of Employment Services this position is responsible for activities supporting the pre-employment processes and programs for Auburn University, in accordance with university policy, as well as state and federal guidelines. Performs operational, and administrative function in support of Employment Services.

RESPONSIBILITIES

- Acts as a point of contact for candidates and hiring managers, building and maintaining relationships in support of Non-Faculty, Student and Temporary positions. Administers the hiring process for non-faculty, student and temporary candidates through an electronic applicant tracking system (ATS). Reviews positions and hiring information, finalizes hires, and initiates the onboarding process. Consults with departments throughout the hiring process.
- Assists candidates with completing the background check process, orders background checks via an electronic portal - based on position requirements, reviews background check results for discrepancies and escalates discrepancies when appropriate, all in accordance with the university's Policy on Background Checks. Assists candidates with completing the Motor Vehicle Report (MVR) check process (when applicable), orders MVR reports via an electronic portal, and submits discrepancy results to Risk Management for review. In cases of a discrepancy, works with Risk Management and the department in accordance with the university's Fleet Safety Policy.
- Provides assistance to applicants as well as hiring supervisors in the use of the university's online employment practices and policies.
- Processes electronic personnel action forms for new jobs, pay rate changes, supervisor changes, department changes and terminations of student and temporary employees. Provides administrative support, including record-keeping, file maintenance and ERP (Banner) file creation and entry of employee information.
- Facilitates the temporary employee Chargeback System (electronic department billing system), reviews payroll reporting data, monitors and approves bi-weekly and monthly chargeback data for each department, and loads total charges into the ERP Finance system (Banner).
- Maintains temporary employee data electronically to enable tracking of hours worked in accordance with the restrictions of the Affordable Care Act (ACA), as well as tracking of temporary employee length of assignment, in accordance with the Policy on Temporary Employment Services (TES).

RESPONSIBILITIES

- Responsible for audit of student employee hours to ensure the maximum threshold is not exceeded in accordance with the Policy on Student Employment.
- Calculates hours and rate of pay for temporary Executive positions and reviews monthly payroll comparisons to ensure accurate number of hours worked.
- May complete special projects designed to enhance and support the effective and efficient operations of the Employment Services unit.

SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility	May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.
