JOB SUMMARY

Creates, plans, organizes, and administers training programs to fulfill employees specific needs to maintain or improve job skills.

RESPONSIBILITIES

• Identifies training requirements needs, develops and executes programs to ensure professional and technical credentialing standards are achieved.
• Provides training through variety of methods including classroom training, distance and e-learning, demonstrations, on-the-job training, meetings conferences, and workshops.
• Organizes, manages, and executes training programs by conducting, scheduling, and arranging ongoing technical training and personal development classes for employees.
• Develops and organizes training manuals, multimedia visual aids, and other educational materials used in development courses.
• Develops and administers new employee orientation, including scheduling, coordinating, and facilitating meetings.
• Manages training database systems, tracks relevant training metrics, and provides reports summarizing effectiveness of training.
• Develops and manages leadership, management, supervisory and technical training programs covering all Facility Management functional responsibilities.
• Evaluates instructor performance and the effectiveness of training programs, workforce development, and community initiatives.
• Works with senior leadership, managers, and supervisors to determine training requirements for all of Facility Management personnel.

SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility: May supervise employees but supervision is not the main focus of the job.
