Auburn University Job Description

Job Title: Asst Mgr, Materials
Job Code: ED07
FLSA status: Non-exempt

Job Summary
Assists the Materials Manager in the management of multiple warehouse staff and all associated activities in materials management and warehouse operations including purchasing materials, supplies, and equipment for various departments of the Facilities Division.

Essential Functions
1. Assists in the direction of the electrical distribution, custodial, material management, and general stockroom employees of the Facilities Division.
2. Participates in various aspects of personnel administration within the department including hiring, termination, grievance proceedings, development of policies and procedures, and coordination of employee training.
3. Assists with accounting procedures related to operations and budget, which consists of invoicing, receiving, purchases, payments, inventory control, frequent account balancing, and various reports.
4. Purchases materials for maintenance, contract, and project work requests; classifies newly purchased inventory.
5. Assists in preparing purchase order requisitions for inventory and non-inventory material.

Supervisory Responsibility
Full supervisory responsibility for other employees is a major responsibility and includes training, evaluating, and making or recommending pay, promotion or other employment decisions.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
