JOB FAMILY AND FUNCTION

Job Family:	Campus Services
Job Function:	Campus Safety

JOB SUMMARY

This role plays a critical part in safeguarding the well-being of employees, students, and distinguished visitors, which includes corporate executives, government officials, celebrities, and dignitaries. Additionally, the position involves conducting thorough risk assessments and devising tailored security plans to address the unique requirements of these individuals. Contributes to the university's commitment to maintaining a secure campus environment, ensuring the safety of esteemed guests and the ongoing security of the university community.

RESPONSIBILITIES

- **Close Protection:** Personally provides close protection to select individuals, as necessary, including escorting them to and from locations, maintaining vigilant surveillance of their surroundings for potential threats, and executing swift and effective responses to security incidents or emergencies.
- **Crisis Management:** Collaborates closely with Campus Safety Leadership to actively assist with crisis management efforts in response to security breaches, threats, or emergencies.
- **Risk Assessment:** Collaborates with the team to conduct exhaustive risk assessments to identify potential threats and vulnerabilities to protected individuals and formulate strategic plans to mitigate these risks effectively.
- **Security Planning:** Provides input and collaborates with key security personnel and relevant stakeholders to craft and execute security plans tailored to the unique circumstances and needs of protected individuals.
- **Team Collaboration:** Actively participates in and coordinates with a proficient team of executive protection specialists to ensure the seamless execution of security protocols and procedures.
- **Training and Development:** Delivers comprehensive training and guidance on critical areas such as threat detection, defensive tactics, emergency response protocols, and adherence to established protocols.
- **Communication:** Maintains open and effective lines of communication with protected individuals and other members of the security team to facilitate seamless coordination and information sharing.
- **Intelligence Gathering:** Regularly participates in monitoring and analyzing pertinent intelligence sources to remain abreast of potential security risks and emerging developments.
- **Advance Work:** Strategically plan and execute advance work for events, meetings, or travel involving protected individuals, including venue security assessments route planning and coordination with local law enforcement and venue security teams.
- **Documentation and Reporting:** Maintain meticulous records of security-related activities, incidents, and protocols, and actively contribute to the presentation of detailed reports for internal review or legal purposes as required.

SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility	May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.
