JOB FAMILY AND FUNCTION

Job Family: Academic Services & Administration

Job Function: Academic Programs

JOB SUMMARY

The Kreher Preserve and Nature Center (KPNC) State Teacher plans, creates, and implements the daily program for nature-based preschool learning environment at Auburn University's College of Forestry, Wildlife and Environments nature center.

RESPONSIBILITIES

- Plans and implements a curriculum for a group of children consistent with developmentally appropriate early childhood education practice and in accordance with National Association for the Education of Young Children (NAEYC) accreditation standards.
- Mentors and facilitates the physical, social, emotional, and cognitive development of children through safe and structured environments. Documents health, vision, hearing, Devereux Early Childhood Assessment for Preschoolers (DECA), and Ages and Stages questionnaire (ASQ3) screenings. Documents the assessment of children on a quarterly basis in the Teaching Strategies GOLD System and uses the data to complete 2 annual parent/teacher conferences.
- Plans, implements, and evaluates a daily program which includes designing classroom arrangement for optimal learning, and developing planning materials and activities that facilitate active learning for the children.
- Provides, instructs, and monitors children in the use of a variety of learning materials and resources for use in educational activities.
- Participates in modeling best classroom practices for undergraduate students completing course requirements or internships.
- Collaborates with the community representatives such as therapists, specialists, and psychologist as needed. Administers medication per doctor's prescribing instructions.
- Plans monthly parent enrichment and involvement activities, presents at parent seminars, and meetings with families to keep them informed of daily progress of their child.
