JOB FAMILY AND FUNCTION

Job Family: Transportation

Job Function: Aviation

JOB SUMMARY

Provides overall leadership and direction to flight and administrative personnel to ensure high standards of performance, competence, and safety. Responsibilities include budgetary, financial and operations oversight, policy management and compliance.

RESPONSIBILITIES

- Directs the function of the Auburn University Air Transportation Department to include providing leadership and supervision and coordinating efforts with other offices and departments.
- Schedules, oversees, reviews, coordinates, documents, and approves commercial air charter operators for departments, teams, and personnel chartering air travel.
- Flies as pilot-in-command (PIC) and supervises activities of assigned pilots, including training, proficiency, safety, and all job related activities.
- Schedules, oversees, reviews, coordinates, and documents scheduled and non-scheduled aircraft maintenance. Ensures all equipment is repaired, maintained, and complies to all appropriate rules and regulations.
- Prepares department budget to include approving and monitoring all department expenditures to ensure compliance with regulatory and university policy/directives while developing and implementing the overall financial policy of the department.
- Complies with all Federal Aviation Administration polices, procedures, and guidelines.

SUPERVISORY RESPONSIBILITIES

Full supervisory responsibility for other employees is a major responsibility and includes training, evaluating, and making or recommending pay, promotion or other employment decisions.

MINIMUM QUALIFICATIONS

To be eligible, an individual must meet all minimum requirements which are representative of the knowledge, skills, and abilities typically expected to be successful in the role. For education and experience, minimum requirements are listed on the top row below. If substitutions are available, they will be listed on subsequent rows and may only to be utilized when the candidate does not meet the minimum requirements.
