Auburn University Job Description

Job Title: Exec Dir, Clinical Health Svcs
Job Code: EH20
FLSA status: Exempt

Job Summary
The Executive Director (ED) of Clinical Health Services will be the administrator in charge of the business operations, clinical services, educational programs, research integration, and outreach projects that are provided through Harrison School of Pharmacy’s (HSOP) Clinical Health Services (CHS) arm of Clinical Affairs and Outreach (CAO).

Essential Functions
1. Provides supervision of all healthcare providers that work within Clinical Health Services’ practice settings. Ensuring that this team provides innovative and quality healthcare to all patients.
2. Evaluates objective data from financial, clinical, and quality reports to identify the types and scope of services that should be expanded within Clinical Health Services.
3. Monitors Human Resource needs within the clinics and make staffing decisions. Recruit, interview, hire, train, mentor, develop, and evaluate all Clinical Health Services personnel.
4. Serves as "Administrator in Charge" of CHS division of HSOP’s CAO and represents CAO in administrative meetings with stakeholders as assigned.
5. Provides reports on business operations, budget, clinical services, outcomes, and other key data. Develops, analyzes, and presents an executive dashboard to upper administration and stakeholders that includes productivity, financial, and outcome data.
6. Oversees all business operations of CHS and ensure that Clinical Health Services accounts are fiscally sound.
7. Collaborates with all members of the Clinical Affairs and Outreach team to ensure integration of clinical services with experiential education and co-curricular goals, objectives, and requirements of the Harrison School of Pharmacy’s curriculum.
8. Engages in continuing professional development.
9. Participates in research, teaching, outreach, and service to HSOP as assigned.
10. Analyzes program outcomes and stakeholder feedback and work with Harrison School of Pharmacy’s Clinical Affairs and Outreach team to conduct continuous quality improvement of all programs.
11. Contributes to the successful achievement of Harrison School of Pharmacy’s strategic goals within outreach.

Supervisory Responsibility
May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
