Job Summary

Serves as the manager for the subaward team within the Office of Sponsored Programs and maintains primary responsibility for all aspects of subaward administration at the institutional level throughout Auburn University, the Alabama Agricultural Experiment Station, and the Alabama Cooperative Extension System. These responsibilities include subagreement creation, negotiation & modification, subrecipient monitoring, and subrecipient invoicing, in addition to supporting the office leadership in training and mentoring of Subaward Officers and providing regulatory, policy, and procedural guidance related to such activities.

Essential Functions

1. Prepares, reviews, and negotiates new subagreements (subawards/subcontracts) and subaward amendments with other universities, non-profit and for-profit entities as well as those funded with internal funds. Obtains all required documentation including, but not limited to, budgets, scope of work, prime award agreement, certifications, pertinent protocol documents, audits, and financial questionnaire. Confirms third party is identified correctly and is eligible to serve as a subrecipient before executing a subaward/subcontract; ensures the accuracy of financial information provided.
 2. Verifies applicable compliance requirements are adhered to as required (to include conflict-of-interest policy, responsible conduct of research, human subjects or vertebrate animals, in addition to any other compliance issues the prime sponsor may require and remains engaged in the process to ensure all issues are resolved. Analyzes budget to ensure sufficient coverage of obligated funds and, once subagreement is executed, requests that funds be encumbered and ensures they are encumbered correctly and prepared for payment when invoices are received.
 3. Manages and performs subrecipient monitoring functions to include, but not limited to, monitoring subagreements (subawards/subcontracts) to ensure compliance with subagreement's terms and federal, state and university laws, policies, and procedures; performs risk assessment for all subawards based upon risk assessment questionnaire and determines appropriate level of monitoring for the life of the subagreement.
 4. Reviews the subrecipient commitment form to ensure the University is cognizant of, and protected from, issues and potential risks; reviews subrecipient's Single Audit reports and other related audits, writes management decisions when needed and follows-up on associated risk mitigation measures. Reports subaward and executive compensation data regarding first-tier subrecipients under federal grants/contracts to meet the Federal Funding Accountability and Transparency Act (FFATA) requirements.
 5. Reviews and facilitates subagreement change requests including, but not limited to, re-budgeting, pre-award costs, carryover of unobligated balances, and no-cost-extensions. Prepares and maintains subaward records in electronic (or other required) format.
 6. Analyzes and facilitates the most highly complex pre-award and non-financial post award transactions related to subawards to address issues and solve problems during the subagreement negotiation and execution process, as well as throughout the contractual term. Supports Subaward Administrators in subaward closeout (in collaboration with Contracts & Grants Accounting (CGA), Procurement & Business Services (PBS) and the Office of Sponsored Programs (OSP) closeout administrator.
 7. Serves as primary point of contact for faculty, staff, and external organizations in all University subaward activities.
