Auburn University Job Description

Job Title: Asst Vice Provost, Research and Scholarship Analytics

Job Code: HC16

FLSA status: Exempt

Job Family: Research

Grade RE14 $107,200 - $214,400

Job Summary

Provides senior level management, leadership, administrative and fiscal oversight for the Office of Sponsored Programs, the Office of Research Compliance, the Office of Research Security, and the Office of the University Veterinarian in support of Auburn University research programs and serves in a lead role on strategic and operational issues related to the research mission of the University.

Essential Functions

1. Provides day-to-day management of the Office of Sponsored Programs, the Office Research Compliance, and the Office of Research Security to include providing leadership, and administrative and fiscal oversight; provides administrative guidance and oversight on behalf of the Institutional Official over the Office of the University Veterinarian.

2. Provides advice and counsel to the Vice President of Research on strategic and operational issues related to sponsored projects and compliance administration aspects of the University’s trifold mission.

3. Through direct involvement, or as a representative of the OVPR, advocates, formulates, and implements policies, procedures, programs, and projects for improved management and compliance for assigned areas and in coordination with other university offices where relationships to external funding exist.

4. Recommends and implements new administrative concepts, systems, technologies, and programs designed to benefit the sponsored projects administration and compliance activities of the University, with specific emphasis on campus-wide Electronic Research Administration systems.

5. Participates in local, regional, and national organizations, conferences, committees, and panels to enhance the image and reputation of Auburn University; serves as Institutional Representative to the Council on Governmental Relations.

6. Oversees the submission of various reports to the federal government.

7. Assumes appropriate authority and management responsibility for the research organizational unit in the absence of the Vice President or Associate Vice President of Research.

Supervisory Responsibility

Supervises others with full supervisory responsibility.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
