### JOB FAMILY AND FUNCTION

Job Family:	Research
Job Function:	Research Integrity & Compliance

### JOB SUMMARY

Reporting to the Vice President for Research and Economic Development (VPRED), the Assistant Vice President for Research Integrity and Regulatory Compliance provides senior-level direction, management, administrative, and fiscal oversight for the Office of Research Compliance (ORC) in support of Auburn University research, teaching, and outreach programs. Serves as principal advocate for the Regulatory Compliance Programs (Human Research Protection, Animal Care and Use, Biological Safety) and Research Integrity Programs (Financial Conflict of Interest, Responsible and Ethical Conduct of Research, and Research Misconduct) for Auburn University.

### RESPONSIBILITIES

- Provides overall management and proactive direction for the Office of Research Compliance including providing leadership, development, and implementation of plans, establishment of priorities for research compliance/research integrity initiatives, and administrative and fiscal oversight. Provides day-to-day guidance to staff and makes balanced decisions for the positive reputation of the University in the administration of the Research Integrity Program, Human Research Protection Program, Animal Care and Use Program, and Biological Safety Program.
- Facilitates the compliant and ethical conduct of research and regulated activities through support, guidance, and education of faculty, students, and university investigators. Advocates for and manage resources appropriate to achieve programmatic goals, maintain compliance, and attain operational efficiencies.
- Facilitates the compliant and ethical conduct of research and regulated activities through support, guidance, and education of faculty, students, and university investigators. Advocates for and manage resources appropriate to achieve programmatic goals, maintain compliance, and attain operational efficiencies.
- Oversees development, implementation, and/or interpretation of university policies and procedures related to research integrity and compliance.
- Provides advice and counsel to the Institutional Official (Vice President of Research and Economic Development) on strategic and operational issues as well as critical policy issues, related to research compliance and research integrity and administration.
- Strengthens and supports faculty across the institution with research compliance and integrity requirements. Regularly communicates with University senior administration, Deans, and department chairs on the compliance efforts at the University. Advises University administration, faculty, staff, and students on research compliance and research integrity regulations and requirements.
- Represents the Institutional Official on institutional compliance committees and matters related to research compliance and integrity. This includes membership on the Institutional Compliance Committee, Institutional Review Boards, Institutional Animal Care and Use Committee, Institutional Biological Safety Committee, and the MRISAC.

## RESPONSIBILITIES

- Represents the University and the Research Compliance and Research Integrity Programs at the local, regional, and national levels. This includes organizations, conferences, committees, panels, inspections, audits, and site visits by federal or state agencies and accrediting bodies.
- Supervises the Research Compliance Office including overseeing the day-to-day activities and tasks of personnel. Manages assigned staff and leads recruitment of positions including reviewing resumes, participating in interviews, and conducting performance review evaluations. Assists in resolving employee relations issues.
- May perform other duties as assigned by supervisor.

## SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility	Full supervisory responsibility for other employees is a major responsibility and includes training, evaluating, and making or recommending pay, promotion or other employment decisions.
----------------------------	---
