**JOB SUMMARY**

The Executive Director of Administrative Operations for Research and Economic Development holds a pivotal leadership role in shaping and executing the organizational vision and operational strategy within the Research Division. Responsibilities encompass translating high-level strategies into actionable steps, fostering growth, and ensuring the efficient functioning of the research and economic development enterprise.

**RESPONSIBILITIES**

- Directs the administrative facets of the Research Division, including financial planning, budgeting, funding allocation, and communications, ensuring alignment with organizational goals. Prepares and monitors the operating budget for the Senior Vice President for Research and Economic Development (SVPRED) departments and provides financial reporting and analysis for funding activities, business operations, and project accounting. Advises and assists management officials on complex fiscal matters, budget considerations, transfer of funds, and other fiscal matters including extramural funding.
- Collaborates closely with the Division leadership team, specifically the SVPRED and Associate Vice Presidents, to establish and implement organizational vision and operational strategies.
- Cultivates a highly inclusive culture within the Research Division, overseeing unit operations and employee productivity to meet organizational goals and foster team member success. Serves as the Central Operations Manager, ensuring day-to-day operations run smoothly and efficiently.
- Collaborates with the SVPRED to develop strategies for achieving short- and long-term growth targets for various SVPRED functions. Assists with strategic planning, organizational analysis, and business development. Executes business strategies and plans aligned with the short- and long-term objectives of the SVPRED.
- Analyzes internal operations, identifying opportunities for process enhancements to improve overall efficiency and effectiveness.
- Builds and maintains trusted relationships with internal and external partners and stakeholders to facilitate collaboration and to support the Research Division's mission.
- Provides formal and ad hoc reports and analyses of SVPRED unit business functions, offering insights and recommendations for continuous improvement.
- Performs other relevant duties assigned by supervisor.
