JOB FAMILY AND FUNCTION

Job Family:	Research
Job Function:	Research Development

JOB SUMMARY

Designs and implements appropriately targeted education and training programs covering all aspects of sponsored programs management and compliance designed to engage the faculty in the development of competitive grant and contract applications.

RESPONSIBILITIES

- Responsible for assisting faculty in generating effective and fundable extramural proposals through identification of funding opportunities and the facilitation of the proposal process.
- Oversees the design and administration of contract and grant educational programs to implement regulations, policies and procedures appropriate for the audience assuring consistency with institutional research and training goals.
- Offers guidance to others in the review of financial and administrative management requirements of contract and grant proposals.
- Provides counsel to researchers regarding proposal preparation and advises principal investigators on how to maintain appropriate stewardship of funded grants.
- Coordinates the appropriate and required institutional reviews and approvals and works with principal investigators to ensure timely submissions of information.

SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility	Full supervisory responsibility for other employees is a major responsibility and includes training, evaluating, and making or recommending pay, promotion or other employment decisions.
