JOB FAMILY AND FUNCTION

Job Family:	Financial & Business Operations
Job Function:	Business Administration

JOB SUMMARY

Under minimal supervision, manages and administers the technology transfer administrative process in The IP Exchange (IPX).

RESPONSIBILITIES

- Monitors and reviews terms of IPX License Agreements to determine if licensees are in compliance with the terms of the agreements as it relates to royalties and patent expense. Reviews agreements and any applicable amendments for billing royalties or patent expense reimbursement. Communicates with Licensing Officers, inventors, licensees and university schools and departments as needed.
- Reviews monthly statements to guarantee accuracy of records and makes corrections if necessary. Monitors department financial operations and performs analyses in order to develop, implement and maintain solutions to financial issues. Coordinates, prepares, processes and maintains records of financial transactions such as journal entries, payment vouchers, cash collection reports, and internal transaction vouchers.
- Develops and prepares IPX Monthly and Annual reporting and other analyses as requested. Prepares annual budgets for the department as well as submits details to the Director for inclusion in the annual reporting to the Association of University Technology Managers (AUTM). Prepares and reports monthly and annual IPX metrics. Performs detailed monthly reviews of the department's Financial Statements including reconciling multiple accounts.
- Reviews and monitors the activities of the staff to include the [patent administrator], the government compliance administrator and the [technology transfer administrator]. Communicates with staff to review processes in an effort to monitor efficiencies and needs. Identifies staff development and training needs and seeks resources to meet the needs.
- Reviews and approves attorney fees for processing by identifying the specific IP involved in the expense and noting the proper intellectual property ID. Coordinates with attorneys or other entities to encourage utilizing the LEDES format to reduce processing time of transactions and improve efficiencies. Performs monthly review of transactions billed by a foreign annuity service. Communicates with Patent Administrator with any open items.
- Coordinates with the database provider to maintain the Inventor and department Portals to provide a unique service to AU inventors, department heads and deans. Communicates with the department heads and deans offices of updates and/or changes to the portal.
- Monitors procedures and processes to enhance the effectiveness and efficiency of the management of the office.

The responsibilities listed above show the typical duties for jobs in this classification. Actual tasks may differ depending on the department's needs. Other similar duties may be assigned with discretion of the supervisor.

Not every duty will apply to every position, and the amount of time spent on each task can change based on department needs.

SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility	Full supervisory responsibility for other employees is a major responsibility and includes training, evaluating, and making or recommending pay, promotion or other employment decisions.
