JOB FAMILY AND FUNCTION

Job Family:	Research
Job Function:	Sponsored Programs

JOB SUMMARY

Oversees daily operations of promoting, identifying, and managing externally funded grants and contracts for the college/school.

RESPONSIBILITIES

- Manages efforts to identify, capture, and expand extramural funding opportunities.
- Coordinates efforts to engage with external grant agencies and research providers designed to enhance the college/school's knowledge of research opportunities. Researches and identifies grant opportunities that support programs and initiatives.
- Develops competitive grant proposals to foundations, state, and federal funding agencies.
- Oversees and assists with writing, editing, and proofreading text of contracts and grants including reorganizing content for better flow, rewording for clarity, and editing to comply with APA and other style guidelines.
- Coordinates the development of interdepartmental proposals. Monitors funded grants, including record management of the department.
- Serves as liaison to the Office of Sponsored Programs.
- Provides support for the college/school's goals of increasing scholarly productivity and external funding.
- Ensures proposals and grant reports are submitted on time and maintains realistic timelines for proposal submissions.
- Develops and coordinates programs and training activities in support of faculty and staff research, grant preparation and implementation of funded projects.

SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility	May supervise employees but supervision is not the main focus of the job.
