Auburn University Job Description

Job Title: Mgr, Animal Care Unit
Job Code: IA09
FLSA status: Exempt

Job Summary
Oversees routine animal care and maintenance of equipment and facilities to meet regulatory requirements of the animal care unit.

Essential Functions
1. Supervises maintenance, repair, installation, and removal of equipment and facilities within the animal care unit.
2. Manages procurement and logistical processes for equipment and supplies used in the animal care unit.
3. Assists the director in planning, developing, and drafting protocols pertaining to employees, facilities and equipment.
4. Assists in employee accident prevention, first aid programs, and safety operations in the animal care unit.
5. Prepares and maintains documentation associated with animal care, animal census and facility repairs and maintenance.
6. Supervises and provides daily management of animal care trainees, technicians, and technologists assigned to the animal care unit.
7. Approves, prepares for and receives routine animal housing requests.
8. Inspects buildings, fences, supplies and equipment in order to determine work to be performed.
9. Performs quality assurance procedures to meet regulatory requirements of the animal care unit.

Supervisory Responsibility
Full supervisory responsibility for other employees is a major responsibility and includes training, evaluating, and making or recommending pay, promotion or other employment decisions.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
