JOB FAMILY AND FUNCTION

Job Family:	Administration & Operational Support
Job Function:	Research Operations

JOB SUMMARY

The Deputy Director, Policy & Partnerships is responsible for leading the McCrary Institute's cybersecurity policy research, guides strategic partnerships to enable impactful collaborative initiatives, represents the organization in critical policy discussions, and drives evidence-based public policy conversations and action.

RESPONSIBILITIES

- Conducts comprehensive research, including the establishment of a cybersecurity research aggregation system, to inform and shape cybersecurity policies and recommendations. Develops and oversees McCrary Institute's policy strategies.
- Produces policy papers, briefs, and reports to influence public discourse and policy decisions. Develops white papers and policy briefs on key cybersecurity issues and innovations.
- Facilitates Senior Fellow and stakeholder consultations to gather diverse insights for policy development. Monitors and evaluates the impact of implemented policies and legislation, coordinating with Auburn Office of Government Relations and suggesting revisions as necessary.
- Develops, leads, and mentors a team of researchers and policy analysts.
- Effectively communicates complex cybersecurity issues to a broad audience, including policymakers, academia, and the public.
- Forges partnerships focused on joint policy research and development initiatives. Establishes relationships with industry leaders, state and federal government bodies, and academic experts for collaborative policy studies.
- Networks with other cyber security institutes, organizations, and agencies to share best practices and insights. Leverages partnerships to enhance the organization's influence and reach in policy-making circles. Engages in mutual learning and capacity-building activities with partner organizations.
- Collaborates with the communications team to support expansion of media presence by leveraging national relationships. Strengthens policy influence through Senior Fellows collaborations. Collaborates with and advocates for cybersecurity policies at state and national levels.
- Collaborates with communications and web design teams to develop and maintain a daily cyber news briefing and issues network.
- Performs other related duties as assigned.

SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility	May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.
