JOB SUMMARY

The Program Manager of State & Local Programs is responsible for the successful execution of McCrary Institute programs supporting state-level initiatives (AOIT), rural and agricultural programs (USDA), and federal public-sector regulatory agencies such as DOT/FMCSA, NHTSA, and FAA. Manages program delivery from initiation through completion, ensuring projects are delivered on time, on budget, and at high quality while meeting all sponsor requirements. Works under the Director of Program Management, partners with the Senior Technical & Lab Director and technical leads to ensure technical integrity and collaborates with Business Development & Capture to support account growth and new opportunities.

RESPONSIBILITIES

<ul style="list-style-type: none"> Serves as the primary execution lead for State of Alabama and other State Agencies (including AOIT), USDA, DOT/FMCSA, NHTSA, FAA, and similar public-sector regulatory programs. Manages scope, schedule, budget, and deliverables in compliance with sponsor requirements. Tracks and reports program status using standardized PMO controls (WBS, schedules, risk registers, performance metrics). Conducts monthly internal reviews and support Quarterly Business Reviews (QBRs) with sponsors. Manages subcontractors, partners, and vendors in alignment with contract obligations. Works closely with the Senior Technical & Lab Director and technical leads to ensure technical deliverables meet sponsor expectations. Partners with the Director of Business Development & Capture to identify growth opportunities in state and public-sector markets. Provides program execution inputs to proposals, including staffing plans, schedules, and past performance data. Builds and maintains strong relationships with AOIT, USDA, DOT/FMCSA, NHTSA, FAA, and other relevant public-sector agency officials. Ensures risks, issues, and changes are communicated promptly to sponsors and McCrary leadership. Represents McCrary as the execution lead for assigned public-sector accounts. Leads project staff assigned to state and public-sector programs. Provides direction, set priorities, and ensure accountability.

The responsibilities listed above show the typical duties for jobs in this classification. Actual tasks may differ depending on the department's needs. Other similar duties may be assigned with discretion of the supervisor. Not every duty will apply to every position, and the amount of time spent on each task can change based on department needs.

SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility May supervise employees but supervision is not the main focus of the job.
