JOB FAMILY AND FUNCTION

Job Family:	Financial & Business Operations
Job Function:	Accounting & Finance

JOB SUMMARY

Reporting to the VP of Business & Finance/CFO, the Asst VP of Financial Services/Controller serves as the chief accounting officer for the University and is responsible for the leadership and management oversight of accounting, financial reporting and financial internal control operations of the University. The areas of oversight include financial reporting, tax compliance, property, surplus, student financial services, procurement and business services, contract and grants accounting, endowment investment office and cash management. This position leads the development and implementation of sound financial policies and procedures, works with external auditors, and coordinates the fiscal year end audits and tax preparation. This position directly manages the Directors of Student Financial Services, Procurement and Business Services, Contracts and Grants Accounting, Endowment Investment Office, and Cash Management. In addition, this position directly manages the Asst Controller, Property Manager, Surplus Manager, and the Tax Compliance Manager.

RESPONSIBILITIES

- Oversees financial reporting and financial internal control operations of the University to safeguard assets, accounting principles and practices necessary to ensure adequate internal and accounting controls, and supports the University in meeting its financial and strategic objectives.
- Oversees the coordination of the annual audit of the independent CPA firm, and oversees the completion of the financial statements and footnotes, supporting schedules and analyses, and ensures auditors are provided with all requested documentation, as required.
- Ensures compliance with a variety of externally-imposed financial recording and reporting regulations and specifically oversees the preparation and accurate reporting of all required federal and state tax returns.
- Develops and maintains the University's financial accounting system to account for the receipt and expenditure of all funds and to report operating results to the administration and external agencies. Maintains the chart of accounts, including the determination of proper classification of accounts.
- Provides leadership to the Director of Contracts and Grants Accounting and oversees Contracts and Grants Accounting to ensure internal controls over federal awards and compliance with Uniform Guidance requirements are in place and enforced University-wide.
- Provides leadership to the Director of Cash Management and the Director of Endowment Investment Office and oversees the offices of Cash Management and Endowment Investment to ensure the safety of investments, along with the maximization of return on investments.
- Provides leadership to the Executive Director and Directors of Student Financial Services and oversees the Student Financial Services, ensuring compliance with all federal, state, and institutional financial aid regulations, policies and procedures, including the return of Title IV Funds processes and all required reports.

RESPONSIBILITIES

- Provides leadership to the Director of Procurement and Business Services and oversees the Office of Procurement and Business Services to ensure that resources are spent in accordance with state and federal laws and in the most efficient manner possible to ensure best use of financial resources.

SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility Supervises others with full supervisory responsibility.
