JOB FAMILY AND FUNCTION

Job Family:	Financial & Business Operations
Job Function:	Procurement & Payment Services

JOB SUMMARY

Assist in administering the University's payment card processes, e-commerce activities, and University-wide compliance with Payment Card Industry Data Security Standards (PCI DSS) for all merchant accounts. Assist with PCI DSS compliance and banking services for the University.

RESPONSIBILITIES

- Assists in facilitating activities to ensure University-wide compliance with the Payment Card Industry Data Security Standard (PCI DSS), industry regulation, and University policies and procedures related to credit card and payment operations. This includes providing both formal and informal training across campus; suggesting updates to websites and mailing lists and assuring that all materials are current; recommends and develops training materials as directed by the Sr. Specialist.
- Serves as the back-up liaison between University departments/merchants and credit card processor for establishment, maintenance and close of merchant accounts, and the administration of the associated hardware and software.
- Assists in setting up new merchants including analysis of departmental needs by running reports, reaching out to support within the departments to gather data and answer questions in order to provide data and information to the Sr. Specialist and providing optional solutions for payment card processing.
- Assists in setting up new merchants including analysis of departmental needs by running reports, reaching out to support within the departments to gather data and answer questions in order to provide data and information to the Sr. Specialist and providing optional solutions for payment card processing.
- Assists departments/merchants with basic card terminal usage and troubleshooting any issues or revenue and fee question. Answers frequently asked questions regarding issues or revenue and fees. Refers complex problems or large projects to Sr. Specialist.
- Assists in monitoring internal as well as external third party vendor review of merchant fees and cost containment by running requested reports, gathering data, and making calls as needed.
- Assists the Sr. Specialist in providing basic educating and training merchants on policies, procedures and best practices by preparing materials, making recommendations for updates on existing materials, and coordinating meetings or training sessions. May also provide formal and informal training sessions that are considered routine.
- Assists departments with the effective use of e-commerce solutions (TouchNet Gateway and Marketplace) for online payment card sales.
- Assists the Sr. Specialist and Cash Management Manager with banking services such as retrieving online bank statements and account balances from authorized accounts when directed. Also assists in depositing checks using remote deposit machine.

RESPONSIBILITIES

- May originate, prepare, and approve vouchers, forms, letters, reports and other documents in response to requests.
- Performs other duties as assigned.

SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.
