Auburn University Job Description

Job Title: Sr. Spec, Fin Plan & Analysis
Job Code: KA54
FLSA status: Exempt

Job Summary
Reporting to the Manager, Financial Planning and Analysis, this position analyzes management statements, plans, and models that support the University's strategic plans for program creation and stability (at the institutional level, as well as for the colleges/units).

Essential Functions
1. Partners with cross-functional budget team to develop road map, identify needs, and understand existing models. Assists in the process of translating into efficiently built and enhanced Anaplan solutions for the purpose of fulfilling budgeting and reporting needs across various units on campus.
2. Assists in data validation, testing, and overall deployment of new models to ensure an accurate and successful project within Anaplan. Troubleshoots system and provides recommendations for solutions. Interacts with Budget and Planning Services team to enhance the platform based on feedback from campus.
3. Coordinates, compiles, and analyzes financial data for the institution. Develops future enhancements of existing models to drive planning efficiency and growth that is then utilized to provide information to Business and Finance leadership.
4. Continuously identify gaps and opportunities for projects that will streamline workflows and overall processes. Collaborate with internal teams to identify areas of opportunity for data automation and efficiency.
5. Collaborates with finance teams across campus to help solve financial challenges including building long-term financial plans in auxiliary areas and other units.

Supervisory Responsibility
May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
