JOB FAMILY AND FUNCTION

Job Family:	Legal, Compliance & Audit
Job Function:	Internal Audit

JOB SUMMARY

Reviews internal controls and security measures for the university's computing environment including programs, departments, colleges, focusing on the confidentiality, integrity, and availability of information.

RESPONSIBILITIES

- Prepares audit programs, work papers, and issues to document vulnerability scans, system configurations and diagrams, user reports, interviews, etc.
- Analyzes information system scans and settings and compare to industry standards and established benchmarks.
- Consults with departments on best practices and serves as a resource on policies and procedures and internal controls.
- Serves on committees to revise or draft university policy to improve the university's computer security environment and ensure compliance with external regulations.
- Prepares risk analyses and vulnerability assessments for each review to identify weaknesses, compliance issues, operational deficiencies, or other specific concerns that could have an adverse impact on the university and assesses the probability of an occurrence.
- Analyze scans, reports, system configurations, and other data to form conclusions about the security of the stored data.
- Prepares audit reports communicating results to management and the Audit Committee of the Board of Trustees and discusses audit findings and recommendations with department heads working to obtain an acceptable management response for the audit report.
- Identifies risks and vulnerabilities not being managed properly which would allow an intruder access to unsecured data and identifies exceptions and weaknesses in internal controls.

SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility	May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.
----------------------------	---

MINIMUM QUALIFICATIONS

To be eligible, an individual must meet all minimum requirements which are representative of the knowledge, skills, and abilities typically expected to be successful in the role. For education and experience, minimum requirements are listed on the top row below. If substitutions are available, they will be listed on subsequent rows and may only be utilized when the candidate does not meet the minimum requirements.
