JOB FAMILY AND FUNCTION

Job Family:	Research
Job Function:	Research Integrity & Compliance

JOB SUMMARY

Leads the Office of Research Integrity & Compliance, overseeing research misconduct proceedings, the Responsible Conduct of Research (RCR) program, and Financial Conflict of Interest (FCOI) initiatives. Serves as the University's Research Integrity Officer (RIO), ensuring compliance with federal mandates and institutional policies. Partners with university leadership to promote ethical research practices and implement comprehensive integrity and compliance programs.

RESPONSIBILITIES

- **University Research Integrity Officer (RIO):** Leads institutional efforts to foster a culture of research integrity and compliance, ensuring adherence to federal regulations and university policies governing the responsible conduct of research.
- **Research Misconduct Oversight:** Assesses allegations of research misconduct, determines appropriate procedural actions, and ensures compliance with internal and external reporting requirements. Advises on corrective measures and supports the implementation of institutional responses.
- **Regulatory & Institutional Collaboration:** Works closely with university leadership and administrative offices to oversee research misconduct proceedings. Engages with regulatory agencies and institutional leadership to navigate allegations, assessments, inquiries, investigations, and final resolutions. Serves as the primary liaison to federal oversight agencies during misconduct proceedings.
- **Responsible Conduct of Research (RCR):** Develops and administers a comprehensive RCR education program for faculty, researchers, staff, students, and trainees. Utilizes workshops, presentations, and online resources to promote research integrity and compliance.
- **Policy Development & Compliance:** Leads the creation, revision, and implementation of institutional policies addressing research misconduct, including the Auburn University Policy on Research Misconduct. Ensures policies remain aligned with federal requirements in collaboration with University Counsel and relevant offices.
- **Guidance & Support:** Provides expert guidance to faculty, researchers, staff, and students regarding regulatory interpretations, research misconduct investigations, and compliance best practices.
- **Institutional Compliance - RCR Training Requirements:** Partners with senior leadership and administrative offices to ensure compliance with federal research training mandates, including requirements from agencies such as the National Institutes of Health (NIH) and the National Science Foundation (NSF).
- **Financial Conflict of Interest (FCOI):** Develops and delivers FCOI education programs for faculty, researchers, staff, students, and trainees. Uses workshops, presentations, and digital resources to reinforce ethical research practices. Collaborates with senior leadership and administrative units to maintain compliance with federal sponsor training and disclosure requirements, including mandates from the National Institutes of Health (NIH).

RESPONSIBILITIES

Health (NIH) and the Department of Energy (DOE). Coordinates closely with the Office of Audit, Compliance, & Privacy to manage conflict-of-interest training, reporting, and institutional policies.
<ul style="list-style-type: none"> • Research Integrity Enhancement: Identifies integrity gaps and develops resources to strengthen research compliance and ethical standards. • Subject-Matter Expert: Serves as the university's expert on research integrity, advising faculty, researchers, staff, and students on compliance concerns, including EthicsPoint reporting. • Policy Updates & Development: Maintains and updates institutional policies related to research integrity, including creating new policies on RCR and authorship as needed. • Regulatory Monitoring & Leadership Advisory: Remains current on evolving state laws, federal regulations, and national trends affecting research integrity and compliance. Provides informed recommendations to university leadership, including the Senior Vice President for Research & Economic Development (SVPRED) and campus stakeholders. • Federal Compliance Monitoring: Ensures institutional adherence to federal regulations regarding research misconduct, RCR, and conflict of interest for faculty and researchers. Leads reporting efforts to relevant internal and external stakeholders. • Performs other related duties as assigned.
