JOB FAMILY AND FUNCTION

Job Family:	Facilities, Maintenance, & Operations
Job Function:	Facilities Services

JOB SUMMARY

Provides on-site supervision for the Work Management department as a centralized communications point for facility-related questions to all Auburn University faculty, staff, and students.

RESPONSIBILITIES

- Oversees daily operations of the Work Management office to ensure that calls are handled in a timely manner. Coordinates with answering service to ensure that phone calls are answered during off hours, weekends, holidays, and game days. Responsible for ensuring the online routing document is accurate to ensure the success of the contracted answering service. Oversees the daily operations and efficient handling of converting emails, phone calls, and ready requests into properly routed work orders.
- Coaches and provides training to personnel to maintain high customer service standards. Acts as the subject matter expert and trainer for all internal software systems including but not limited to AiM, Ready, Online databases, etc.
- Assists front-line with answering multi-line phone systems, receives work requests or information regarding problems, and relays information to appropriate Facilities Division staff.
- Evaluates the performance of department with key metrics (accuracy, call-waiting time, etc.) to measure effectiveness.
- Coordinates with other departments to ensure accurate budget documentation is collected for special and routine work orders.
- Coordinates with internal Facilities Management Staff to ensure the proper routing/obtaining of required signatures for all campus outages.
- Notifies appropriate parties of outages on campus prior to the service outage or immediately, if an emergency situation arises.
- Communicates with others orally and in writing to keep them informed of work activities and progress and answer questions.
- Collects and analyzes statistics and adjusts processes to meet or exceed departmental goals.
- Performs other duties as assigned.
