## JOB SUMMARY

Lead and direct the University's campus planning and space management functions. Recognize the land, building and space needs of University units, and formulates plans to meet these requirements and unify the plans into a comprehensive master plan to guide the physical development of the campus and outlying properties.

## RESPONSIBILITIES

- Leads and directs the Campus Planning and Space Management (CPSM) staff. Communicates with the CPSM staff as well as other Facilities Management and campus personnel to keep them informed of work activities, gather and provide information, and coordinate projects.
- Develops and maintains a comprehensive campus planning and review process for property, infrastructure, buildings and space which serves to guide and facilitate the changing requirements of the University academic and non-academic mission requirements.
- Develops initial facilities program guidance during pre-design phase for all capital projects based on an assessment of campus requirements, the existing facility inventory, and master plan guidelines.
- Serves as Chair of the Campus Planning Committee which reviews master plans, confirms project compliance with applicable guidelines and makes recommendations to the President.
- Develops and maintains a comprehensive space database which includes inventory of property, infrastructure, buildings and space. Conducts space analyses as requires and utilizes this data to improve space utilization and allocation across campus.
- Conducts planning studies and analyses on campus planning, space issues, and in support of the University's mission.
- Serves as the lead within Facilities Management on real estate issues. Coordinates with the University Director of Real Estate on transactions for the University including sale, acquisition, exchange, appraisal, easements, and rights-of-way.
- Coordinates and prepares proposals and resolutions for the President's recommendation to the Property and Facilities Committee of the Board of Trustees.
- Coordinates and implements campus exterior signage system.
