**JOB FAMILY AND FUNCTION**

Job Family:	Facilities, Maintenance, & Operations
Job Function:	Project Support & Data Management

**JOB SUMMARY**

Responsible for ensuring that campus space is used in an efficient manner and that allocation and reallocation of space assignments is in support of overall university campus planning objectives.

**RESPONSIBILITIES**

- Conducts analyses, prepares reports, and makes recommendations regarding the efficient use, allocation, and reallocation of space assignments.
- Utilizes computer systems for the benefit of Auburn University and creates and implements a continuous improvement and rollout strategy for future functional enhancements.
- Coordinates with other departments and campus constituencies to update and maintain the CP & SM space management system for space use, cost recovery, and faculty characteristics.
- Develops, originates, maintains, and disseminates University wide space management policies, guidelines and standards relating to the allocation and reallocation of space.
- Serves as a change agent in the implementation of new processes and procedures as they relate to space management, including appropriate planning and communication with campus constituents.
- Assists the University Planner in identification of problems, trends, or future space needs and makes recommendations.
- Plans, manages, and executes a wide variety of relocation projects, taking into account stakeholder needs, equipment, office supplies, and other requirements.
- May oversee consultants or other resources in the performance of space audits to validate space data.

**SUPERVISORY RESPONSIBILITIES**

Supervisory Responsibility	Full supervisory responsibility for other employees is a major responsibility and includes training, evaluating, and making or recommending pay, promotion or other employment decisions.
----------------------------	---

**MINIMUM QUALIFICATIONS**

**To be eligible, an individual must meet all minimum requirements which are representative of the knowledge, skills, and abilities typically expected to be successful in the role. For education and experience, minimum requirements are listed on the top row below.
