JOB FAMILY AND FUNCTION

Job Family:	Facilities, Maintenance, & Operations
Job Function:	Utilities

JOB SUMMARY

Supports Auburn University's energy management and conservation initiatives and programs through optimization of campus building systems.

RESPONSIBILITIES

- Supports new commissioning efforts by performing design reviews, report reviews, and item follow-up to ensure that new systems are started efficiently.
- Performs Building Automation System (BAS) programming to implement energy management strategies.
- Performs Test and Balance functions to evaluate the current condition of buildings in support of the Continuous and Retro-Commissioning efforts.
- Uses predictive maintenance techniques in the analysis of buildings.
- Develops reports from analysis of buildings for distribution to appropriate Auburn University personnel.
- Performs minor repair activities on building components during commissioning projects to aid in the efficiency of buildings.
- Performs troubleshooting activities to improve building performance and aid Auburn University personnel in completing root-cause analysis functions.
- Performs training of building systems to aid maintenance personnel in developing skill levels.
- Performs minor retrofits that will result in energy savings or building operation improvements.
- Monitors and analyzes results of improvement projects to illustrate outcomes to upper managements.
- Utilizes building modeling software to construct and maintain models for system analysis during Retro-Commissioning efforts.

The responsibilities listed above show the typical duties for jobs in this classification. Actual tasks may differ depending on the department's needs. Other similar duties may be assigned with discretion of the supervisor. Not every duty will apply to every position, and the amount of time spent on each task can change based on department needs.

SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility	May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.
----------------------------	---
