JOB FAMILY AND FUNCTION

Job Family: Facilities, Maintenance, & Operations

Job Function: Facilities Services

JOB SUMMARY

Manages the maintenance efforts of two of four campus Facilities Maintenance Zones, serving half of Auburn University's Colleges and Schools, administrative units, as well as Athletics and Auxiliary units. Reporting to the Assistant Director Maintenance, responsible for leading and managing a maintenance workforce of skilled trade personnel assigned to zones. Responsible for, through self and others, executing maintenance work orders to correct and repair building deficiencies and problems as required to keep campus facilities operational in support of the University's academic, research, and outreach mission.

RESPONSIBILITIES

- Manages, leads, and supervises multi-trade corrective maintenance technicians for the effective and efficient completion of all corrective and some preventative maintenance work requirements within assigned facilities.
 Corrective maintenance may include maintenance projects.
- Oversees work assignments to meet organizational goals and client deadlines in support of University, Facilities Management and Maintenance department guidelines and mission.
- Manages assigned staff and leads recruitment of positions including reviewing resumes, participating in interviews, and conducting performance review evaluations. Assists in resolving employee relations issues.
- Responsible for all work performed by University tradespersons and contractors involved meet University standards and contract requirements. Ensures that work is completed in a safe, timely manner and in compliance with the appropriate regulatory agencies.
- Meets with clients on a regular basis to understand facility needs ensuring support can be provided. Ensures quality and timely responsiveness of assigned maintenance activities, including after-hours response to emergency calls.
- Responsible for ensuring timely and accurate data is maintained in the work management system to provide
 proper reporting for clients and senior leadership within Facilities and the University. Investigates and
 responds to clients queries, complaints and other issues to meet and satisfy client needs. Tracks status of
 work accomplishments, analyzes data, prepares reports and recommendations in support of increasingly
 higher levels of performance and productivity.
- Coordinates communications and activities among Maintenance Departments zones and shops, other Facilities Management Departments, outside contractors, and Auburn University customers and visitors. Communicates with stakeholders to maintains awareness of activities, maximize efficiencies, answers questions, and resolves issues.
- Maintains records and documentation of work activities, supplies, and equipment. Develops and maintains business plans, procedures, and operating instructions for safe, accurate, and quality work performance and updates on maintenance/repair status.
