EEO Position Group: 66A - Skilled Craft

JOB SUMMARY
Under close supervision, supports the construction, repair, and maintenance of Auburn University buildings, streets, sidewalks, and property. Assists in tasks for new construction, renovation, and/or maintenance projects on university buildings and property. May focus in one of the following areas: in-house construction, infrastructure, or roofing.

RESPONSIBILITIES
- Assists in a variety of carpentry tasks and installations including, but not limited to, layout, foundations, form carpentry, framing, drywall, ceilings, flooring, windows, doors and door jams, siding, and roofs in university buildings and structures throughout campus.
- Performs excavation and demolition work as needed for renovation and construction projects.
- Operates motorized equipment including backhoes, forklifts, skid steers, truck/trailer combinations, dump trucks, motor cranes, front-end loaders, man lifts, and other heavy equipment.
- Maintains roofs and ceilings throughout campus. Performs minor repairs to various types of roofing systems to prevent or correct leaks and damage from penetrations in roofs.
- Prepares and paints all manner of surfaces including, but not limited to, masonry walls, sheetrock, external surfaces, and floors. Performs installation or maintenance preparation of surfaces for paint and finishes.
- Assists in the set up and removal of barricades, fences, and other dividers across campus.
- Assists in the patching of holes, cracks, and other surface problems in university streets. Prepares, fills, and packs potholes on roads and streets around campus.
- Assists in forming, pouring, and finishing cement structures; lays bricks and blocks on and around structures.
- Will be responsible for meeting and maintaining training and certification requirements as outlined by the department’s training and credentialing requirements.
- May be given the responsibility of individual project completion, seeing to its logistics, cleanliness, completion, and some client interactions.
- May perform demolition of structures, portions of structure, walls, sidewalks or other related building systems. May pressure wash roofs, buildings, and sidewalks on campus.
- May perform other related duties as assigned.

SUPERVISORY RESPONSIBILITIES
**Supervisory Responsibility**
May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.
