Job Function:	Mechanic

JOB SUMMARY

Under general supervision, performs a variety of intermediate mechanical services and repairs on university vehicles.

RESPONSIBILITIES

- Provides maintenance services, diagnostics, and component repairs and replacements on university vehicles including, but not limited to, brakes; suspensions; hoses; alternators; and electrical, ignition, and exhaust systems.
- Performs maintenance and repairs on small engines including, but not limited to, weed eaters, lawnmowers, and leaf blowers.
- Provides maintenance and repairs to slow moving vehicles (SMV) such as golf carts, UTV's, and electric carts.
- Performs repairs on heavy mechanical equipment including, but not limited to, dump trucks and personnel lifts.
- Responsible for responding to campus-wide emergency service calls.
- May weld and fabricate parts including, but not limited to, brackets, braces, and shields to support automotive repair work.
- Responsible for meeting and maintaining all training and certification requirements as outlined by the department's training and credentialing requirements.
- May perform other related duties as assigned.

SUPERVISORY RESPONSIBILITIES

Supervisory Responsibility	May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.
----------------------------	---

MINIMUM QUALIFICATIONS

To be eligible, an individual must meet all minimum requirements which are representative of the knowledge, skills, and abilities typically expected to be successful in the role.
