Auburn University Job Description

Job Title: Tech III, Sign
Job Code: ND58
FLSA status: Non-Exempt
Job Family: Facilities, Maintenance, & Operations
Job Function: Facilities Services

Grade: ST11 $35,500 - $53,300

Job Summary
Under limited supervision, responsible for performing work on campus-wide signage and street line painting to ensure a safe work environment for university students and staff. Responsible for the safe handling, installation, and removal of materials used for parking lot, crosswalk, and street markings such as water/oil-based paints and torch grade thermoplastic. Troubleshoot and execute major or complex repairs and project designs for interior/exterior sign projects such as building name lettering, monument sign installation, street signage, door directories, and way-finding signage to include ADA requirements. Provides communication to campus clients and Facilities Management concerning projects updates, work quotes, and material standards.

Essential Functions
1. Serves as one of the university's technical experts on sign materials, repairs, removal, and maintenance. Plans, schedules, and oversees major project installation.
2. Serves as one of the university technical experts on parking lot layout, crosswalk and stop bar installation, and street marking to include ADA compliance.
3. Serves as the technical expert for all shop machinery such as engravers, vinyl plotter, flat-bed printer, and motorized paint sprayer. This carries the expectation that this position would be responsible for training of lower-level technicians.
4. Performs inspections on campus buildings for materials that may get disturbed during signage removal/installation that may contain asbestos and/or lead-based paint.
5. Coordinates and plans assigned work order priority. Identifies options, develops solutions, and takes action when responding to customer requests.
6. May be responsible for meeting and maintaining training and certification requirements as outlined by the department's training and credentialing requirements.
7. May be required to serve in an on-call status and remain work-ready when scheduled Sign Shop work is being conducted on Auburn Universities campus after hours and/or on weekends.
8. May perform other duties as assigned.

Supervisory Responsibility

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
