JOB SUMMARY

The Manager of Service Support is responsible for supervising various aspects for campus support and oversees, assigns, and trains employees in all aspects of the campus support services, event support and pressure-washing activities.

RESPONSIBILITIES

- Monitors, plans, schedules, and directs the day-to-day functions, activities, and services related to campus moving services, event support, pressure washing, and tent & sound permits. Responsible for providing data and information to Facilities Financial Services concerning the cost of services rendered. Coordinates and communicates with contractors for moving support and event setup when needed.
- Coordinates materials handling to include (but not limited to) surplus property support and project or emergency cleaning.
- Assesses costs for services such as moving, special events setup, cleaning, materials, and equipment. Oversees updating and communication in the campus event planning system software.
- Assigns and maintains all SS work orders to include notes, labor hours, updating phases, and entering external charges.
- Ensures equipment and materials are maintained, picked up, and delivered to appropriate sites on time.
- Monitors facilities for life safety concerns (i.e, missing pavers, broken handrails, trip hazards, etc.) and reports to appropriate University personnel.
- Oversees the continuous inspection to the exteriors of buildings to determine the need for exterior cleaning and related additional project cleaning activities to enhance and support the custodial function at the University. Plans and oversees holistic pressure washing program for all hardscapes on campus, including coordination with outside vendors as needed.
- Serves as the subject matter expert for the event assemblies and permit regarding campus policies. Coordinates and communicates with Campus Event Planning, University engineer, landscaping, Waste Reduction and Recycling, and other pertinent committees to approve and issue tent sound permits on behalf of the university. Coordinates and implements the installation and removal of the large tent for special events at the President's house.
- Maintains fleet and tool inventory. Oversees the safe operation, maintenance, and repair of various service support equipment such as trucks, trailers, pressure washing equipment, pallet jacks, and hand trucks.
- May work outside of normal operating hours and days to oversee special events including all graduation ceremonies, emergencies, and inclement weather.
