Auburn University Job Description

Job Title: Dir, Portfolio Strategy
Job Code: OA38
FLSA status: Exempt
Job Family: No Family
Grade UA09: $64,700 - $116,500

Job Summary
Reporting to the Chief Advancement Operations & Strategy Officer, the Director of Portfolio Strategy provides leadership to Auburn Advancement’s fundraising pipeline and implements a comprehensive prospect management system that identifies, manages, prioritizes, and recommends potential philanthropic constituents across all university fundraising programs. Directly contributes to fundraising program management that maximizes annual productivity.

Essential Functions
1. Leads a team of analysts to identify major and principal gifts fundraising prospects, oversees portfolio and proposal management, and fundraiser performance metrics.
2. Leads portfolio review meetings and assists development staff in targeted strategies toward solicitation.
3. Delivers quantitative and qualitative analysis of pipeline movement to drive strategic advancement initiatives. Advises senior leadership on new strategies and trends to optimize the pipeline and increase fundraising productivity.
4. Serves as a central resource to all fundraising staff, providing guidance to staff on philanthropic policies and practices. Contributes to collaborative fundraising efforts that prioritize the donors’ collective interests in Auburn University.
5. Serves as a subject matter expert on fundraising systems and business processes. Makes recommendations for modifications to systems and processes to enhance fundraising and engagement effectiveness.
6. Oversees the process of evaluating and managing external data sources.
7. Contributes to operational strategies including the advancement database and related systems, analytics, business intelligence, and industry reporting.
8. Ensures effective training of staff on all related development programs, systems, and processes.
9. Maximizes research and reporting tools to contribute to fundraising success.
10. Identifies opportunities to incorporate both engagement and philanthropic initiatives into a cohesive advancement strategy.
11. Performs other duties as assigned.

Supervisory Responsibility
Full supervisory responsibility for other employees is a major responsibility and includes training, evaluating, and making or recommending pay, promotion or other employment decisions.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
