JOB FAMILY AND FUNCTION

Job Family:	Marketing, Communications, & Multimedia
Job Function:	Marketing

JOB SUMMARY

The Digital Marketing & SEO Specialist II supports digital content and contributes to the development and execution of Search Engine Optimization (SEO) strategies to enhance the visibility and effectiveness of Advancement websites. Operates with moderate independence to ensure content quality, consistency, and alignment with institutional goals. Collaborates cross-functionally to optimize user experience and support engagement and conversion objectives.

RESPONSIBILITIES

<ul style="list-style-type: none"> Independently manages and updates a wide range of digital content within the CMS, including campaign pages, event listings, and blog articles, ensuring timely publication and adherence to accessibility and branding standards. Leads the implementation of Search Engine Optimization (SEO) strategies by conducting in-depth keyword research, optimizing metadata and page structure, and collaborating with content teams to improve search performance. Coordinates with stakeholders across Advancement to align digital content with strategic priorities, ensuring that messaging, layout, and navigation support user engagement and institutional objectives. Provides backup support for digital initiatives such as email marketing campaigns, analytics reporting, and content audits, contributing to the overall efficiency of the digital team. Monitors and analyzes website performance using tools like Google Analytics, generating insights to inform content strategy and improve user experience.
--
