Auburn University Job Description

Job Title: Coord I, Event Operations
Job Code: OC49
FLSA status: Non-exempt

Job Summary
Reporting to the Supervisor, Audio-Visual, this position ensures that room set-ups and audio-visual needs are being met in the Melton Student Center, as well as all Student Affairs facilities and auxiliary spaces. Consults with staff and customers, makes recommendations on audio-visual support services and lighting for events, and provides technical assistance.

Essential Functions
1. Assists clients with pre-event planning, coordination of event setup, as well as audio-visual technical assistance within the Auburn University Student Center and auxiliary locations, to include small indoor board meeting, large conferences, outdoor events, and high-profile university functions. May perform these duties alone or collaboratively with supervisors and event operations staff.
2. Assists with and provides support for recruitment and selection, initial orientation, training, and supervision of the event operations student employees regarding audio-visual and set-ups for the Auburn University Student Center and auxiliary locations.
3. Provides transportation and arrangement of furniture and equipment within Student Affairs facilities for various customer events, including but not limited to, tables, chairs, staging, and podiums.
4. Consults with customers and makes recommendations on audio-visual support services and lighting for events.
5. Provides recommendations to supervisors for up-to-date audio-visual needs. Troubleshoots, repairs, and maintains applicable equipment and devices, as well as provides reports on damaged audio-visual equipment.
6. Maintains event inventory of equipment, supplies, and furniture etc.
7. Assists with the maintenance and management of the Student Center game room, to include implementing small repairs, as well as outside vendor communications.
8. Performs other specialized duties as required.

Supervisory Responsibility
May be responsible for training, assisting or assigning tasks to others. May provide input to performance reviews of other employees.

The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with the knowledge, skills and abilities required for the job. Not all of the duties may be assigned to a position.
