## Satisfactory/Unsatisfactory Option Request Form

A junior or senior with a minimum overall grade point average of 2.5 on at least 20 hours of credit earned at Auburn University may elect any course to be graded on the S-U option, except for courses required in the Core Curriculum or for required courses as defined by the student's curriculum. A total of 12 credits may be earned at the rate of one course per term. Students will receive credit toward a degree for these courses, provided credit is normally accepted in their curricula for these courses. A graduate student may enroll in undergraduate courses, except for 6000-level courses taken for graduate credit, under the S-U option with the major professor's recommendation. Students are not permitted to change from S-U grading to standard grading or vice versa after the 15th class day.
