YOU ARE IN!

WHAT'S NEXT?

A WARM “WAR EAGLE” WELCOME.

Congratulations! You did it: You rolled up your sleeves, put in the work and are poised to make your membership in the Auburn Family official. You should be proud of all you’ve accomplished.

But there are a few things still left to do to claim your place in next year’s class. No need to panic; We’ll walk you through it.

FIVE STEPS TO FINALIZING YOUR ADMISSION

- 1 Confirm your enrollment by submitting your enrollment deposit or “Intent to Enroll” form.**
Submit your \$250 enrollment deposit or “Intent to Enroll” form at aub.ie/admittedportal. This deposit is required for all students, is non-refundable and will be applied toward your first semester tuition and orientation fees.
- 2 Activate your Auburn user account at auburn.edu/activate.**
Once activated, you can log into AU Access, and your Auburn email account, where you will receive important official University communications.
- 3 Register your phone with Duo 2-factor authentication.**
Visit duo.auburn.edu and register your device, which will enable you to access your email, complete Camp War Eagle registration, sign up for classes and access other on- and off-campus resources. Make sure it’s your device and not your parent’s—you’ll need it throughout your time at Auburn.
- 4 Register for Camp War Eagle (CWE) by June 1.**
CWE registration opens in mid-March; make sure we’ve received your enrollment deposit first.
- 5 Verify Auburn has received your official final high school transcript.**
Visit aub.ie/admittedportal to confirm we have your final high school transcript before the first day of class.

SCHOLARSHIPS & FINANCIAL AID

Complete the scholarship application through the Auburn University Scholarship Opportunity Manager (AUSOM) by February 1 for general and departmental scholarship consideration.

To receive consideration for need-based scholarships, complete the Free Application for Federal Student Aid (FAFSA), available in October at fafsa.gov. The priority deadline for the FAFSA to be received by Auburn is February 1.

Visit auburn.edu/enrollment/affordability to learn more about university scholarships and financial aid.

CAMP WAR EAGLE (CWE)

- Connect with other students
- Learn about important resources at Auburn
- Meet your CWE counselor, a current Auburn student, who will help prepare you for success

Registration opens in mid-March and the deadline to register is June 1. Learn more at auburn.edu/cwe.

Spring Term Freshmen

Watch your Auburn email for more information about being added to new student modules, which will help prepare you to register for classes. Plan to attend a Successfully Orienting Students orientation session.

STUDENT HOUSING: FIND YOUR NEW HOME AWAY FROM HOME

Ranked #2 in the nation by the Princeton Review for its Town & Gown relationship, Auburn offers students the best of both worlds — a vibrant, close-knit community and the convenience of being just steps away from Auburn University. While on-campus housing is limited, the city of Auburn provides an array of off-campus living options that allow students to stay closely connected to campus life. The friendly atmosphere and small-town charm make it easy for students to build lasting relationships and become an integral part of the community.

The housing application will open in November. You will receive an email to your Auburn email with a time slot to apply for housing. Apply early to increase your chance of selecting your top-choice community.
