

COVID-19 Decision Elements

Below are factors that impact university decisions regarding COVID-19.

- + Guidance and recommendations from the CDC, Alabama Department of Public Health and public health officials; state and federal orders and guidance
- + Case numbers: campus, local / county, state, region
- + Positivity rates
- + Case impact status: on campus (impactful) / off campus (non-impactful)
- + Quarantine / isolation numbers
- + Hospitalization numbers
- + Local testing availability
- + Classroom availability / building occupancy restrictions
- + Vaccination availability
- + Vaccination status (number vaccinated)
- + Supply chain constraints for PPE and required products
- + Other factors yet to be identified
