Section 40-2A-15, Code of Alabama 1975

(a) There is hereby created the Alabama Local Tax Institute of Standards and Training. All costs of operating the institute shall be paid from public funds appropriated, contributions received, or fees and license revenues collected for this purpose.

(b) The institute shall operate under the direction and supervision of a board of directors. The board shall organize, administer, control, oversee, and advise the institute so that the institute may carry out the purposes of this section. The board shall promulgate reasonable rules and regulations to effectuate this intent.

(c) The board shall consist of six members as follows:

(1) Three representatives appointed by the Alabama League of Municipalities, who shall either be municipal officers, employees, or attorneys, at least one of whom shall be a municipal revenue officer or finance officer.

(2) Three representatives appointed by the Association of County Commissions of Alabama, who shall either be county officers, employees, or attorneys, at least one of whom shall be a county revenue officer or finance officer.

(3) There will be two elected positions on the board (Chair and Secretary). One position will be elected from the county appointments and one elected from the municipal appointments. *(August 9, 2019)*

(d) The board may accept appropriations, grants, gifts, donations, or contributions from: the federal government; the state government; a county, municipal, or local government; a board, bureau, commission, agency, or establishment of any such government; any other organization, firm, or corporation, public or private; and an individual or groups of individuals in furtherance of the services, purposes, duties, responsibilities, or functions vested in the board and institute.

(e) The board shall, as its first order of business, develop a proposed examiner certification program for the examiners of private auditing or collecting firms. The

program shall require minimum qualifications for certification, which shall include a bachelor's degree in accounting from an accredited university or college and satisfactory completion of the certification program adopted by the board. Beginning October 1, 2016, the program shall include a course on customer relations and professional courtesy. The program shall also impose continuing education rules which shall be substantially similar to the continuing professional education requirements imposed by the State Board of Public Accountancy with respect to public accountants. Once the board has developed a proposed program, copies thereof shall be distributed for comment to all counties and municipalities, the Business Council of Alabama, the Alabama Retail Association, the Alabama Chapter of the National Federation of Independent Business, and the department. Copies may be sold to other interested parties at cost. Written comments may be submitted to the board within 45 days of initial distribution of the proposed program. Following expiration of the comment period, the board shall adopt a final examiner certification program to be administered by the institute. Notwithstanding any provision of this subsection to the contrary, any certified public accountant or public accountant who is licensed by the State Board of Public Accountancy shall be exempt from any certification requirement or any separate continuing professional education requirement. When any certified public accounting or public accounting firm is employed for the first time by a self-administered county or municipality for local tax examinations, the firm shall notify the board in writing of such employment.

(f) The institute may, however, contract out the examiner certification program to any one of the following:

- (1) The Alabama League of Municipalities or the Association of County Commissions of Alabama, or any successor or assignee to, or designee of, either of those organizations.
- (2) Any two-year or four-year college or university in the state.
- (3) Any organization which the board believes can and will conduct the program in a manner which is consistent with this section.

Any examiner certification program contracted out pursuant to this subsection shall be conducted pursuant to the rules and regulations promulgated by the board pursuant to subsection (b). The institute or the organization with which it contracts shall be authorized to charge a registration fee to all participants in the certification and continuing education programs.

(g) The board shall also develop for the benefit of all municipal, county, or private examiners conducting examinations of taxpayers' books and records on behalf of self-administered counties and municipalities, a minimum standard examination program, not in conflict with the Alabama Taxpayers' Bill of Rights and Uniform Revenue Procedures Act, to be followed by municipal, county, or private examiners when examining a taxpayer's books and records for compliance with

applicable sales, use, rental, lodgings tax laws, or license fees of self-administered counties and municipalities. Once the board has developed a proposed program, copies thereof shall be distributed for comment to all counties and municipalities, the Business Council of Alabama, the Alabama Retail Association, the Alabama Chapter of the National Federation of Independent Business, and the department. Copies may be sold to other interested parties at cost. Written comments may be submitted to the board within 45 days of initial distribution of the proposed program. Following expiration of the comment period, the board shall adopt a minimum standard examination program.

**(Act 98-191, § 5.)**

(h) The institute shall have in place no later than January 1, 2017, a toll free number identified as a hotline for taxpayers to submit complaints related to the auditing or collection activities of a private auditing or collecting firm. A notice advising taxpayers of the hotline, including the toll free number, shall at all times be posted in conspicuous places in appropriate offices of any self-administered county or municipality utilizing the services of a private auditing or collecting firm and on the website of the county or municipality, if available. Additionally, a notice advising taxpayers of the hotline, including the toll free number, shall be posted on the website of the Alabama Department of Revenue. The institute shall be responsible for transcribing any complaints received through the hotline, and shall on a quarterly basis beginning April 1, 2017, prepare a report of each complaint filed against an auditing or collecting firm and forward the report, including transcripts, to the auditing or collecting firm receiving the complaints. The institute shall maintain reports for a period of three years, and the reports shall be made available to a self-administered county or municipality utilizing the services of a private auditing or collecting firm which has had complaints filed through the hotline. Effective Date: January 14, 2004

Policy:

1. The *Guidelines for Certified Revenue Examiner Registration Form and CRE Continuing Education Reporting Form* (attached) will be mailed yearly to all certified revenue examiners who are currently working on their continuing education. This form is an explanatory form for the annual registration and the CE reporting.
2. This form is available on the web at: [www.auburn.edu/cre](http://www.auburn.edu/cre)

*Guidelines for the Yearly CERTIFIED REVENUE EXAMINER  
REGISTRATION FORM and CRE CONTINUING EDUCATION  
REPORTING FORM*

**Annual Registration:** All ALTIST Certified Revenue Examiners (CREs) register annually with the ALTIST program office at the Center for Governmental Services (CGS). CRE Continuing Education (CE) must be reported on the *Annual Registration Form*, a copy of which is available on the web ([www.auburn.edu/cre](http://www.auburn.edu/cre)) and will be mailed to each CRE in December of each year. The completed *Annual Registration Form* is due in the GEDI office no later than January 31 of each year. CE hour credits must be earned during the designated calendar year and completed by December 31 of that year. All completed registrations should be mailed to:

ALTIST Certified Revenue Examiners Program  
Government and Economic Development Institute  
213 Extension Hall  
Auburn University, AL 36849-5225

**Delinquent Status:** Registration submittals postmarked after January 31 of the year following the reporting year are considered delinquent and certification will be voided. At that time the employer will be notified of the certification cancellation and the inability of the employee to perform audits. If you cannot meet the CE requirements by the December 31 deadline, due to reasonable cause (such as a medical emergency, military services, etc.), please contact the program office to formalize a CE completion schedule or to request *Inactive Status*.

**Continuing Education Reporting:** ALTIST CREs who hold an annual permit to practice must complete 40 hours of approved CE credit during the calendar year that begins on January 1 of each year and ends on December 31 of same year.

- At least 8 hours must be through attendance at the ***ALTIST Certified Revenue Examiner Annual Update Course***.
- The remainder of the 40-hour requirement may be obtained through any ALTIST CRE elective course, approved CPE courses recognized by the National Association of State Boards of Accountancy, as well as courses offered by the County Revenue Officers Association of Alabama, Government Finance Officers Association, Government Finance Officers Association of Alabama, or by the Alabama Municipal Revenue Officers Association.
- Only 16 hours of a self-study (online or distance learning) course will be accepted through any of the approved provider programs or non-sponsored programs. Any request of acceptance of non-sponsored coursework must be submitted to the ALTIST Continuing Education Committee, via GEDI, at least 30 days prior to the beginning of the coursework.
- No more than 8 hours in behavioral courses will be accepted.

- College courses taken for actual college credit cannot be applied to the continuing education requirement. However, college courses taken specifically for continuing education re-certification credit may be accepted.

**Records:** Documentation of CE courses completed must be submitted with CE Reporting Form each year. CE completion records should be retained for a minimum of three years.

**Certification Revocation:** After a lapse of certification due to lack of sufficient continuing education hours, a certification is suspended on March 31 of the year following the failure to complete the required hours. The certification will remain suspended until the annual requirements for renewal are met. At that time, the Certified Revenue Examiner must apply to the ALTIST Board for reinstatement.

The certification will also be suspended if an examiner completes the required coursework, but fails to return all necessary documentation and verification for the certification process, and/or neglects to obtain the required hours of continuing education required for continued certification for a period of three (3) years.

After three (3) years of suspension of certification, whether it is due to a lapse of sufficient continuing education hours, or failure to complete the verification and certification application process, an applicant must successfully repeat all the requirements for certification, including successful completion of all required course work.

**Newly Certified Examiners:** CE hours are not required during the yearly reporting period for individuals new to the CRE program and certified after December 31 of the previous reporting year.

**Address Changes:** It is your responsibility to inform GEDI in writing of any change of address and/or change in your business affiliation.
